

DUCKIE JONES

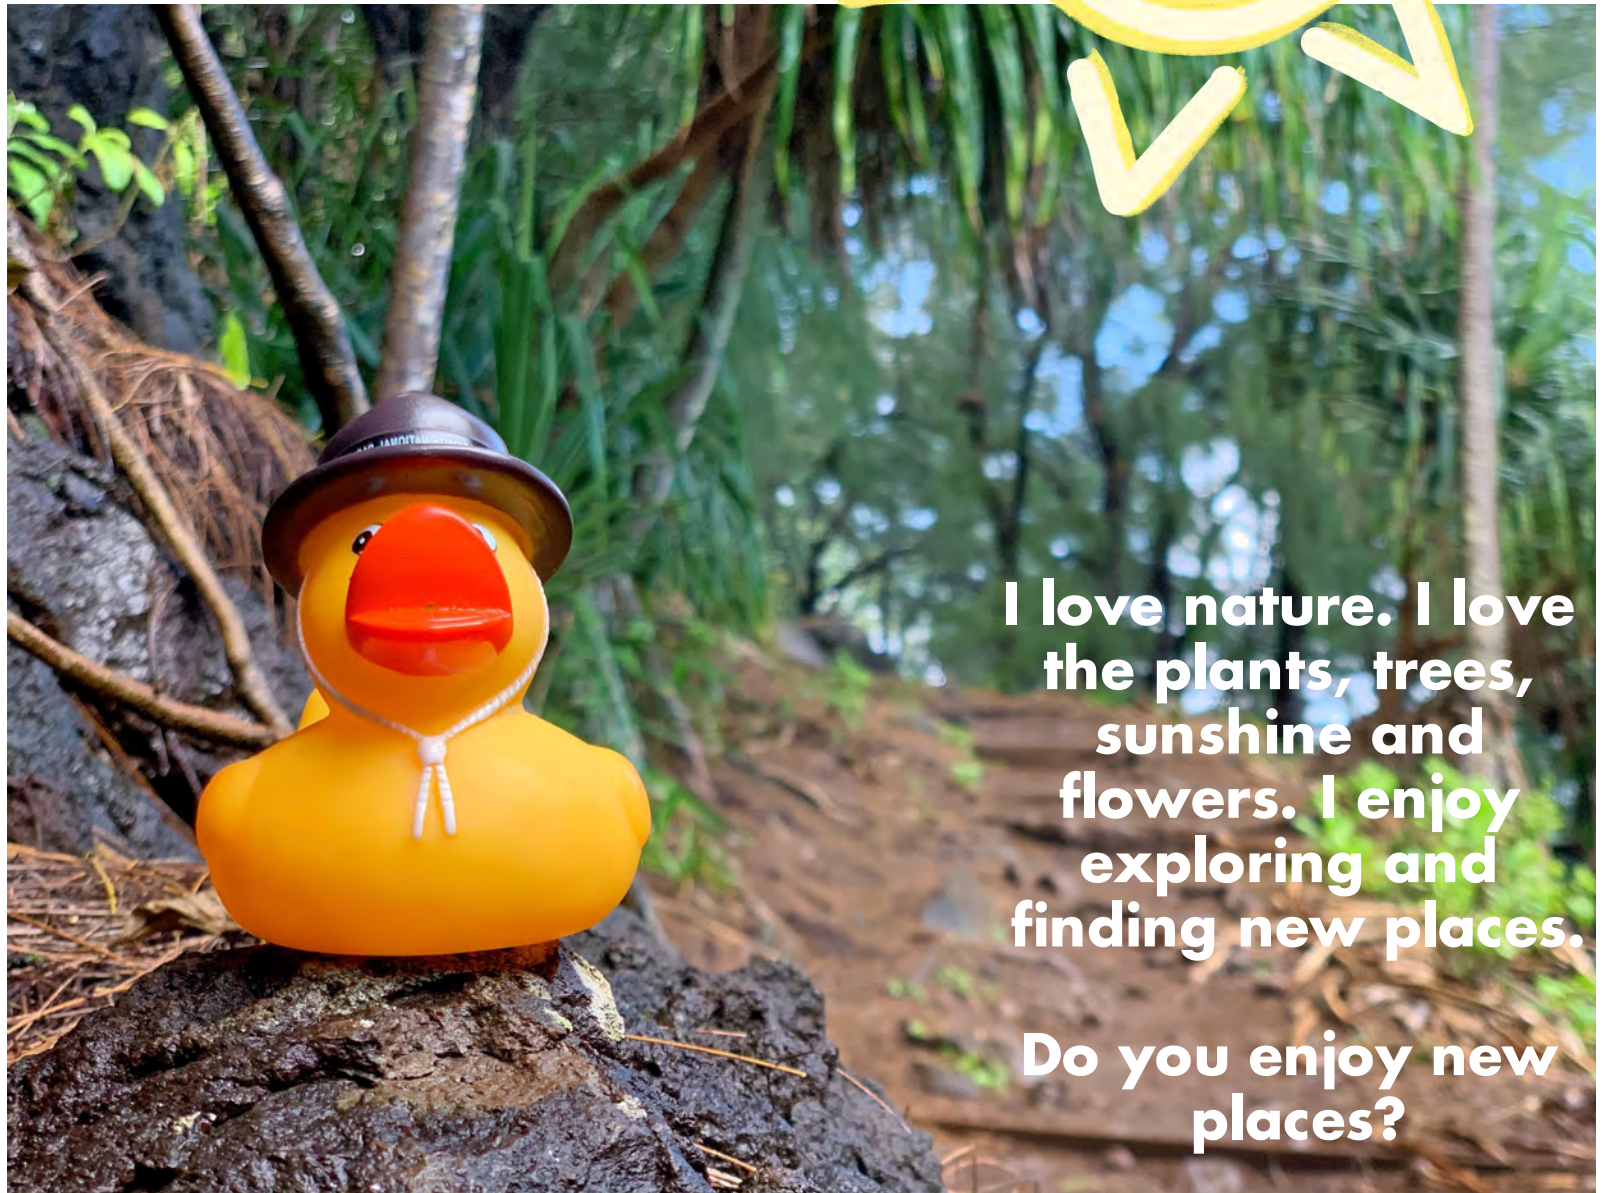

**THE FIRST GREAT
ADVENTURE**

WRITTEN BY KYLE WINDSOR

It all started on a great day
when I decided to go on
an adventure...

**I love nature. I love
the plants, trees,
sunshine and
flowers. I enjoy
exploring and
finding new places.**

**Do you enjoy new
places?**

It is very important
that we take care of
these beautiful places
we have.

Sometimes, I like to swing
from the jungle vines!

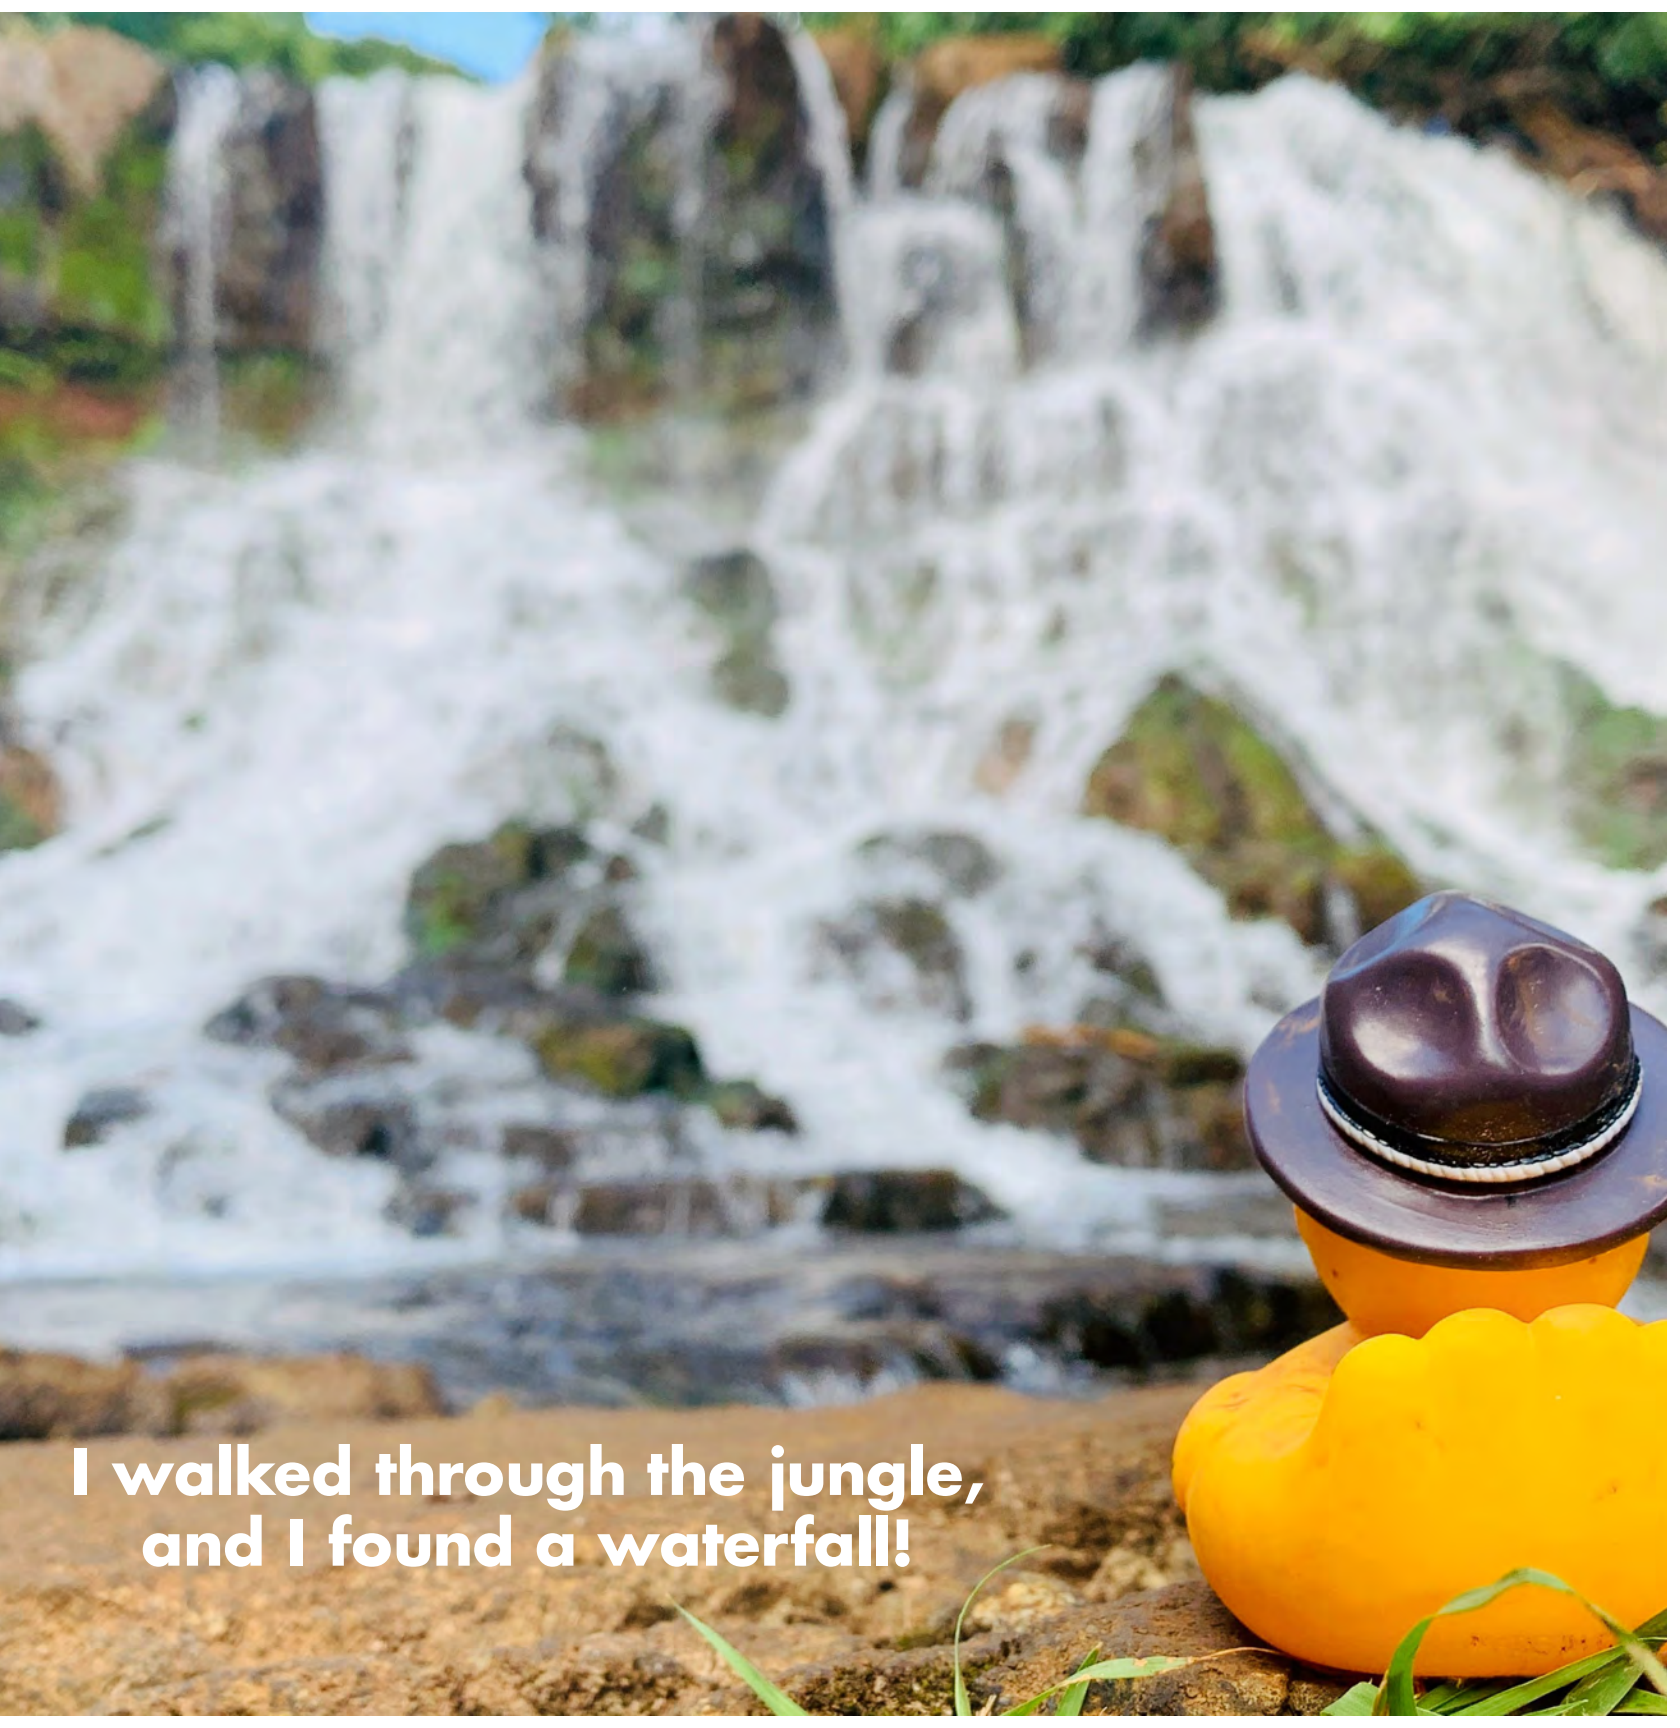

And when I explore, fun
things happen...!

A photograph of a rusted, vintage truck engine and a tire lying on the forest floor. The engine is heavily corroded and has a small orange rubber duck perched on top. A large, dark tire with a tread pattern is positioned next to it. The background is a dense jungle with a large tree trunk and thick vines. Sunlight filters through the leaves, creating a dappled light effect.

**I discovered a lost
truck in the jungle!**

**Do you like
trucks?**

**I walked through the jungle,
and I found a waterfall!**

After hiking, I had to rest!

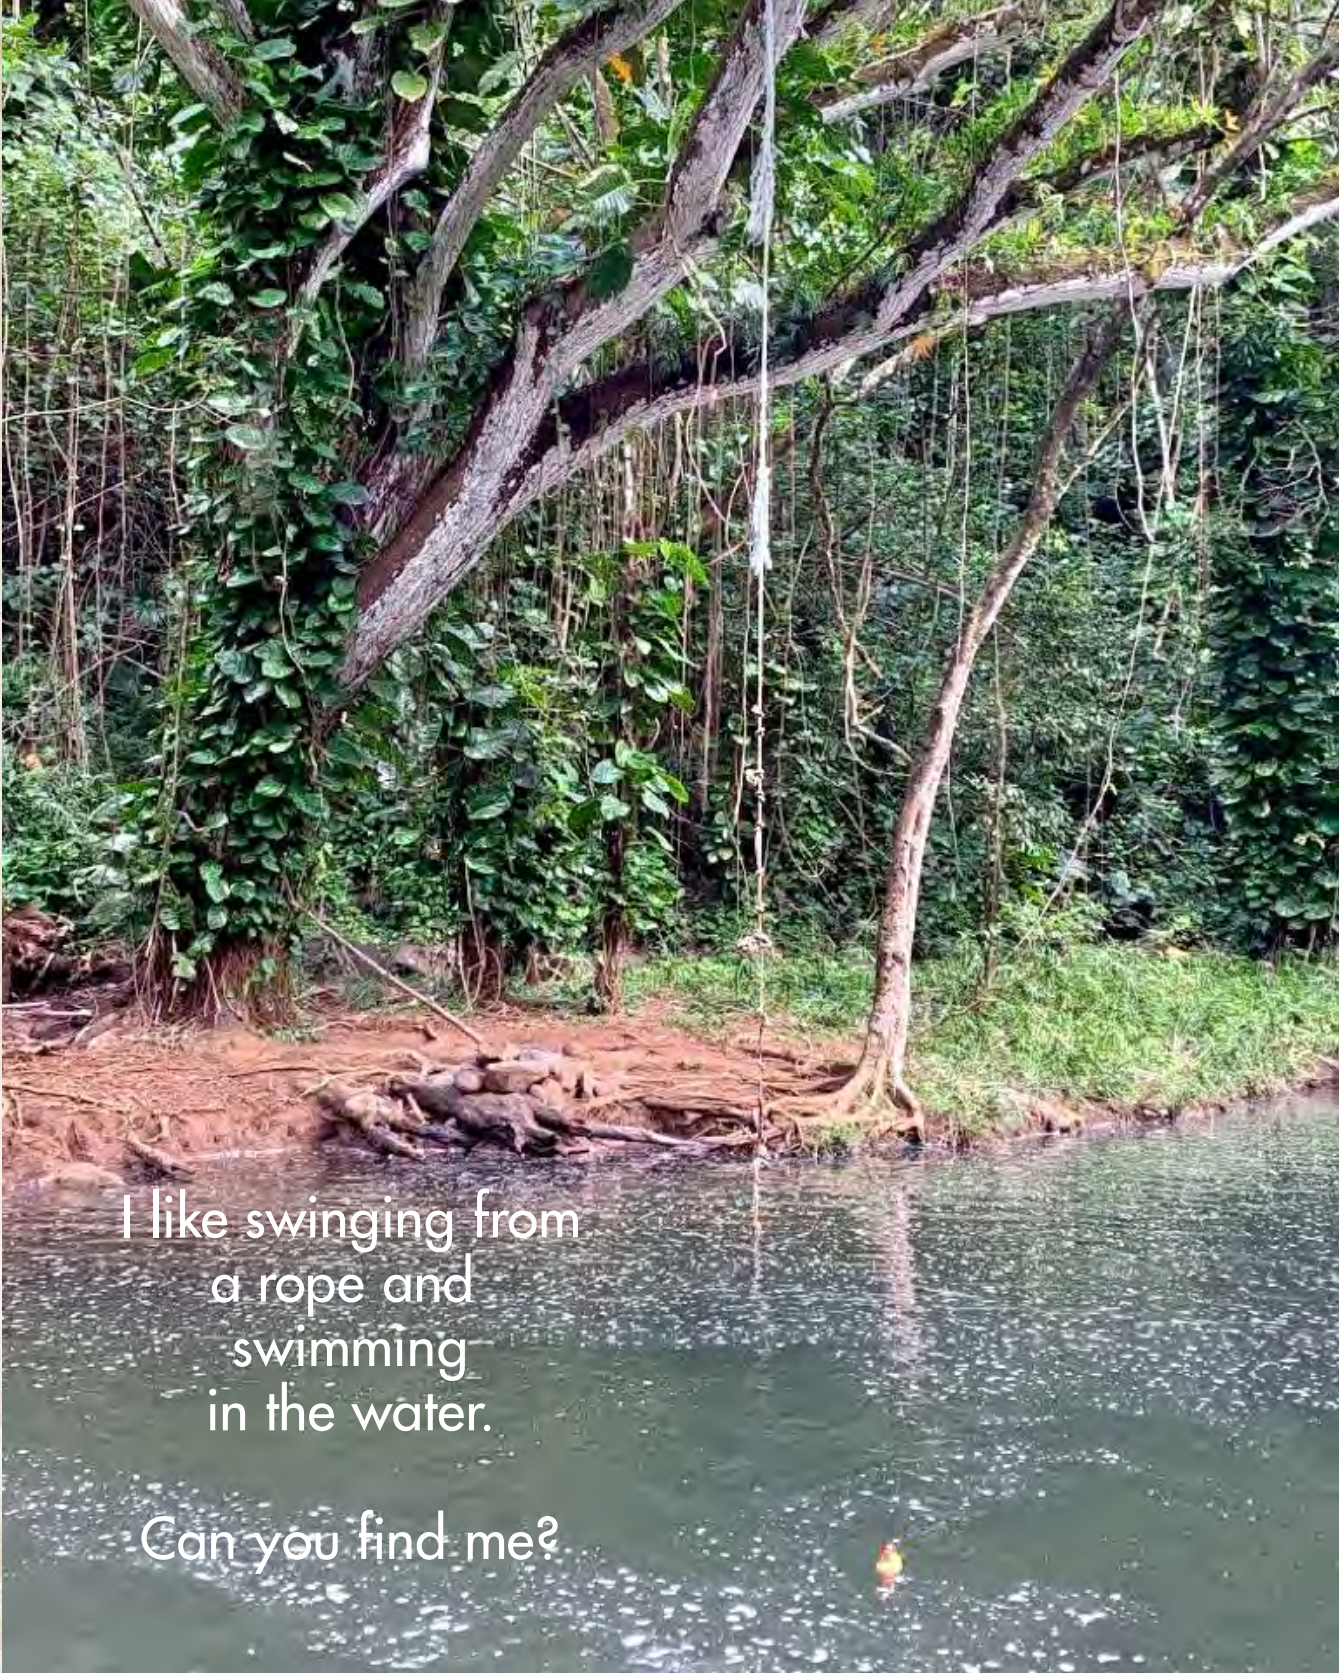

**Seeing the beach and
swimming in
the ocean was fun!**

**I enjoy taking
adventurous paths!**

A photograph of a tropical river scene. A large, gnarled tree with thick branches and dense green foliage stands on the left bank. A rope hangs from one of the branches down into the water. In the foreground, a person is swimming in the river, their head and shoulders visible above the water. The water is dark and reflects the surrounding greenery. The background is filled with more trees and vegetation, creating a lush jungle atmosphere.

I like swinging from
a rope and
swimming
in the water.

Can you find me?

**After a long day,
I love to watch the sunset
over the water.**

**I really like nature.
I hope you do, too!**

**After a long day of hiking and
discovering trucks, swinging
on vines and visiting beaches,
it was time for a hot bath.**

Do you like to take a bath?

Now, it is time for sleep.

**So Duckie Jones dreamt that night of his first great
adventure and the beautiful nature.**

**And he lived happily ever after...
until his next adventure. Amen.**
